

# P.S. 199

## Early Childhood Program

Pre-Kindergarten and Kindergarten Programs

Learning is:

- - Hands – On Learning
- - Fun / Authentic
- - Centers / Exploring

Family Engagement Activities - monthly family engagement activities invite families to school to share fun experiences with their children.

The Zoo comes to  
P.S. 199 with  
the Nature Company

In House School Trips – opportunities for pre-k and k  
to experience fun enrichment activities in school.

Pupperty In Practice partnership allows for the arts to come into the classroom and imagination is ignited through theater, visual arts, dance, and story telling.

At PS 199, we envision a learning community where every child is empowered with a growth mindset, believing that their abilities can be cultivated through effort, practice, and resilience. In our classrooms, curiosity is nurtured, challenges are embraced, and mistakes are celebrated as opportunities for learning. We strive to inspire a lifelong love of learning, instilling in our young learners the confidence to tackle any obstacle they encounter.

We foster a culture of curiosity, resilience, and determination, where students are encouraged to explore, ask questions, and take chances in their learning journey. We provide a safe, inclusive, and supportive environment where every child feels valued and has a sense of belonging.
