Great news. PS/IS 121 could be the school for you!

Also currently registering in all elementary grades!

- We are a small K-8 school (2 classes per grade), with small classes (last year's Kindergartens had 12 and 15 students) with 2 teachers in every classroom
- Located at 5301 20th Ave, Brooklyn, NY, 11204
- 121 is a DOE Magnet School, which allows us to accept students from every neighborhood in the city!
- 121's State test scores and parent satisfaction survey results are consistently higher than city and peer groups!
